Dedication

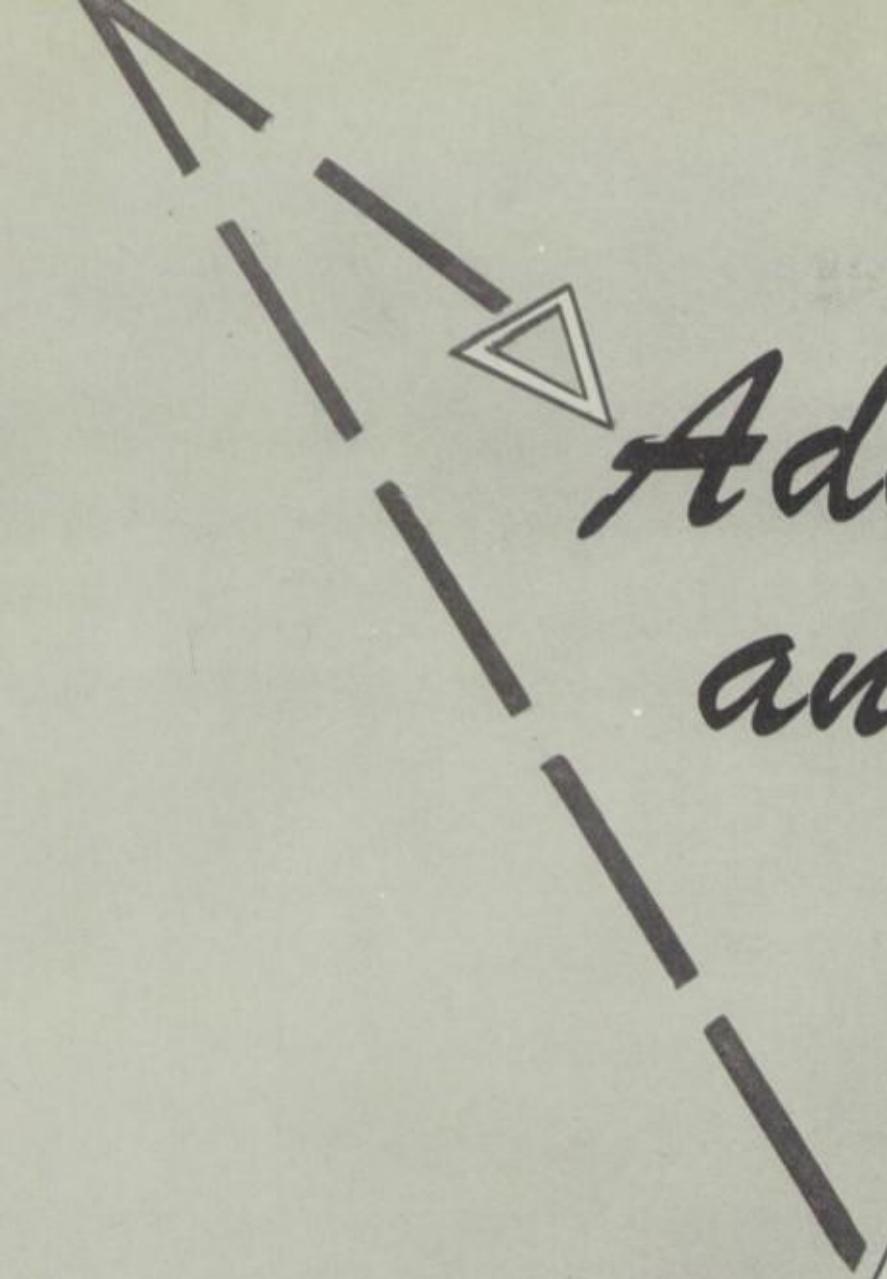

To The

Senior Class of 1956

the yearbook staff presents
the 1956 edition of the
"Student."

Silence is the watchword
as students study in the
Library.

Administration and Faculty

Making important decisions essential to our school life is the constant task of the administrators and school board of Port Huron. The students pay respect to them for their tireless efforts in helping to make the new high school a reality. The school will better serve the needs of high school students in the years to come.

To the faculty, we wish to express our sincere gratitude for the guidance and careful training which we receive at Port Huron High School.

SEATED: Mr. William H. Brahany Jr., President; Mr. Frank O. Staiger, Mrs. Edward A. Haynes. STANDING: Dr. Charles F. Kempf, Mr. Stanley C. Benedict, Mr. Richard A. Cooley, Vice President; and Mr. Thornton S. Kunz.

Our Administrators

Principal

MORTON J. TOMLINSON

To the graduating class of June 1956, the last to be graduated from our high school on Erie Street, we say bon voyage.

We hope that you will have fond memories of your high school days.

This book, dedicated to you, should serve to remind you always that progress will always require that we move on to newer and bigger things. Thus, you will forever be urged to move forward, but at the same time recalling those pleasant hours with classmates and teachers in those friendly halls and classrooms of good old P. H. H. S.

Morton J. Tomlinson

Assistant Principal

FLORENCE C. WIESE

In these high school halls and classrooms you are about to leave, you have lived and learned; experienced exhilaration and defeat; grown in stature and wisdom. You have made friends here that you will never forget; enjoyed thrills that made what seemed hardships momentary inconveniences.

Now you leave it all - As this book is dedicated to you, and as you bid farewell to this your old school, remember what it all stood for - America at its best, where freedom is respected, and where truth and wisdom are sought. This record of your happy days should also be a reminder of your responsibility as a person to posterity.

Seniors

The goal
reached at last -
Graduation. We were busy
each year with our studies and
many extra-curricular activities.

The highlight of our sophomore year
was the successful Spotlight, "On Stage."
Our J-Hop, "Enchanted Evening," with a
Hawaiian theme, was the largest and best ever.
As seniors, we are proud of our enjoyable and
hilarious comedy, "Our Hearts Were Young and
Gay."

We shall often recall the many
happy times we have had at
P. H. H. S.

Underclassmen

With the seemingly long years ahead, the underclassmen endeavor to obtain their goal of a well-rounded high school life by doing their best in their class work, and by participating in the class activities and the all-school activities. The interest they display in assuming their responsibilities is certain to develop them into competent future seniors.

Student Life

The story of high school life - learning to study and studying to learn - so many weeks of study and other activities. It would be impossible to review everything, but it is hoped that the story portrayed will recall a pleasant year at Port Huron High School.

English courses offer development of communication skills

The required basic English courses, which include the study of reading, writing, and speaking, help to build a foundation for all school work. In the American and English Literature classes, students get to know and to read good literary material.

Mrs. Houck's American Literature class listening to Poems.

Future speech prospects.

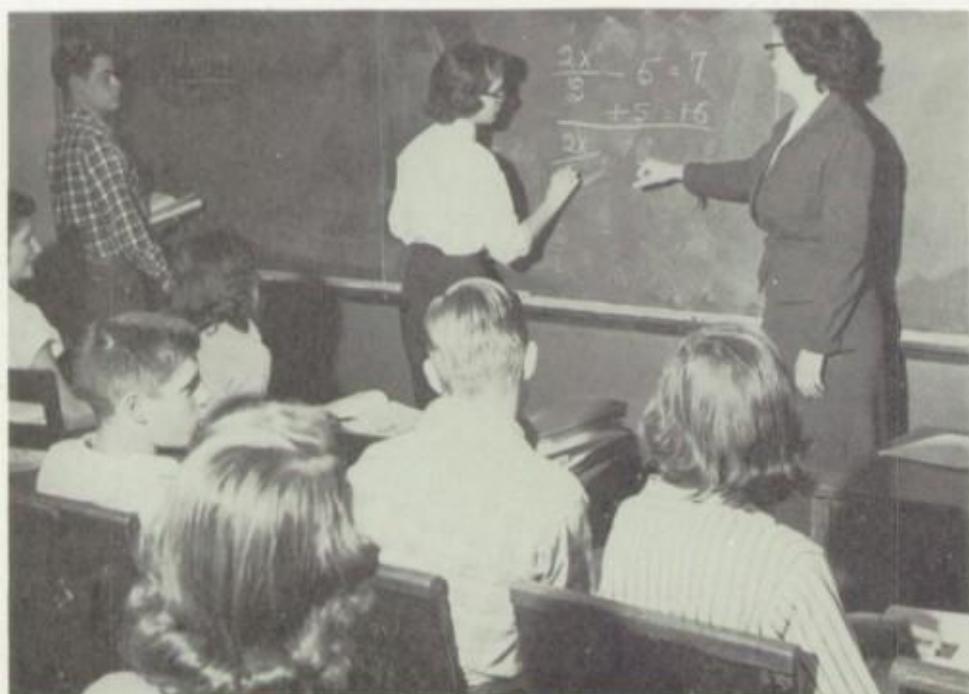

Sandra Raetzel reading Shakespeare in Miss Reid's English Literature class.

Senior English class - a good review of the fundamentals.

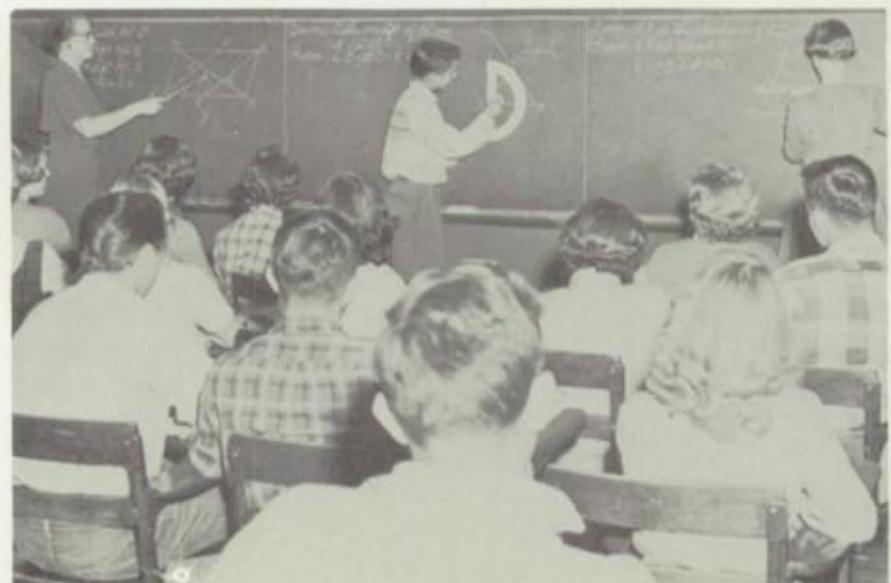

Students have need for Traditional and General Mathematics

The traditional math courses, Algebra, Geometry, Trigonometry, etc., are given for students who need them for college preparation work or possible vocational needs. Certain Math courses are offered for students who need just general mathematical training.

Understanding Algebraic equations.

Geometry students study parallel lines.

The easy way of doing Algebra.

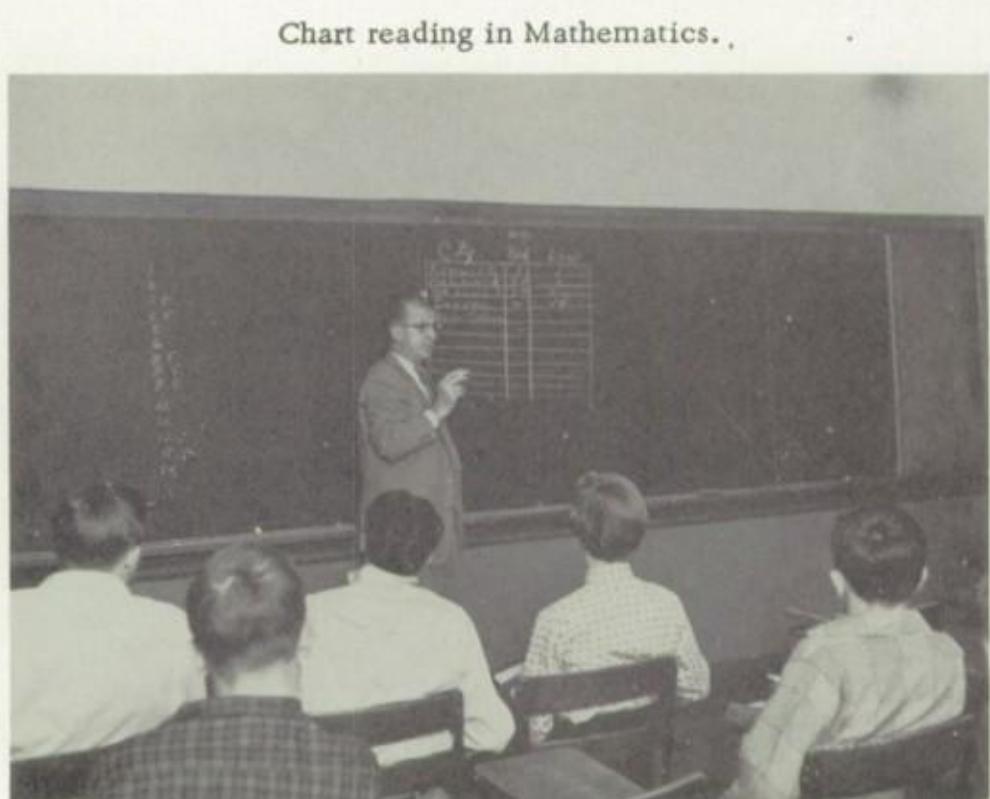

Chart reading in Mathematics.

Social Science courses offer citizenship preparation

To know and understand the national problems, Social Studies are offered to us. The lives of our foreign neighbors, government work, democracy, business calculations, and our social life problems are all taught in these courses.

Miss Muhlitner's class putting Phillips 6-6 Plan into effect.

The study of the early colonies in Miss Lloyd's American History class.

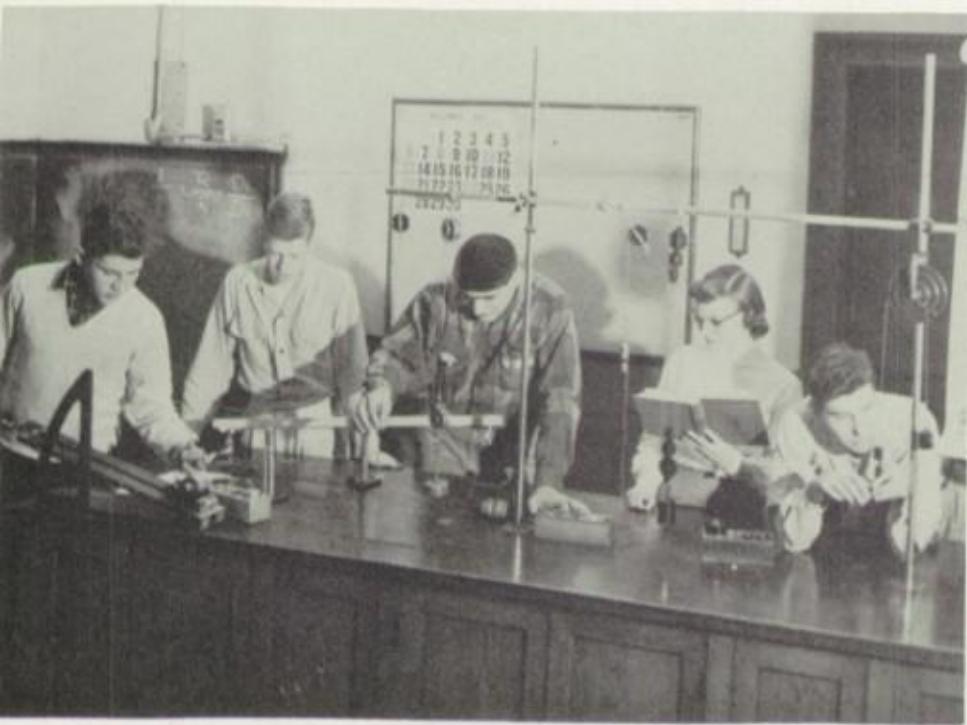

Places of interest in World History.

Sociology class studies Delinquency in Chicago.

Sciences meet needs for general education and college.

Through these classes is learned the environment of outside life, changes that are necessary to produce products from raw materials, and important principles and their application and importance to mankind.

Laboratory experiments in Physics.

Biology for beginners.

Solving problems in Chemistry.

Latin and modern languages offer challenge for students

The student is prepared to read and understand, interpret and appreciate Latin in the courses offered; advanced courses include selections from Caesar, Cicero, and Vergil.

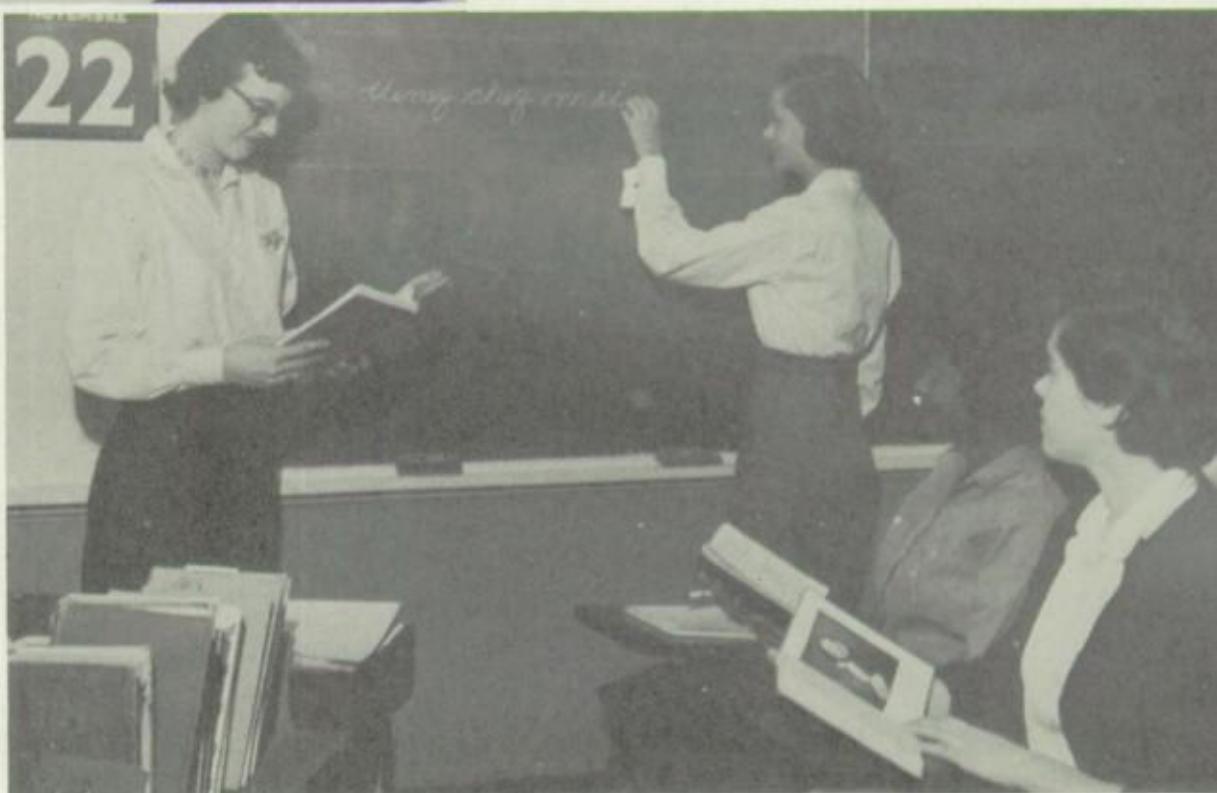

In the modern languages, French and Spanish, students, in a classroom atmosphere appropriate to the language, learn to appreciate the ability to read and speak the language.

Miss Edward's class takes a break from a translation assignment.

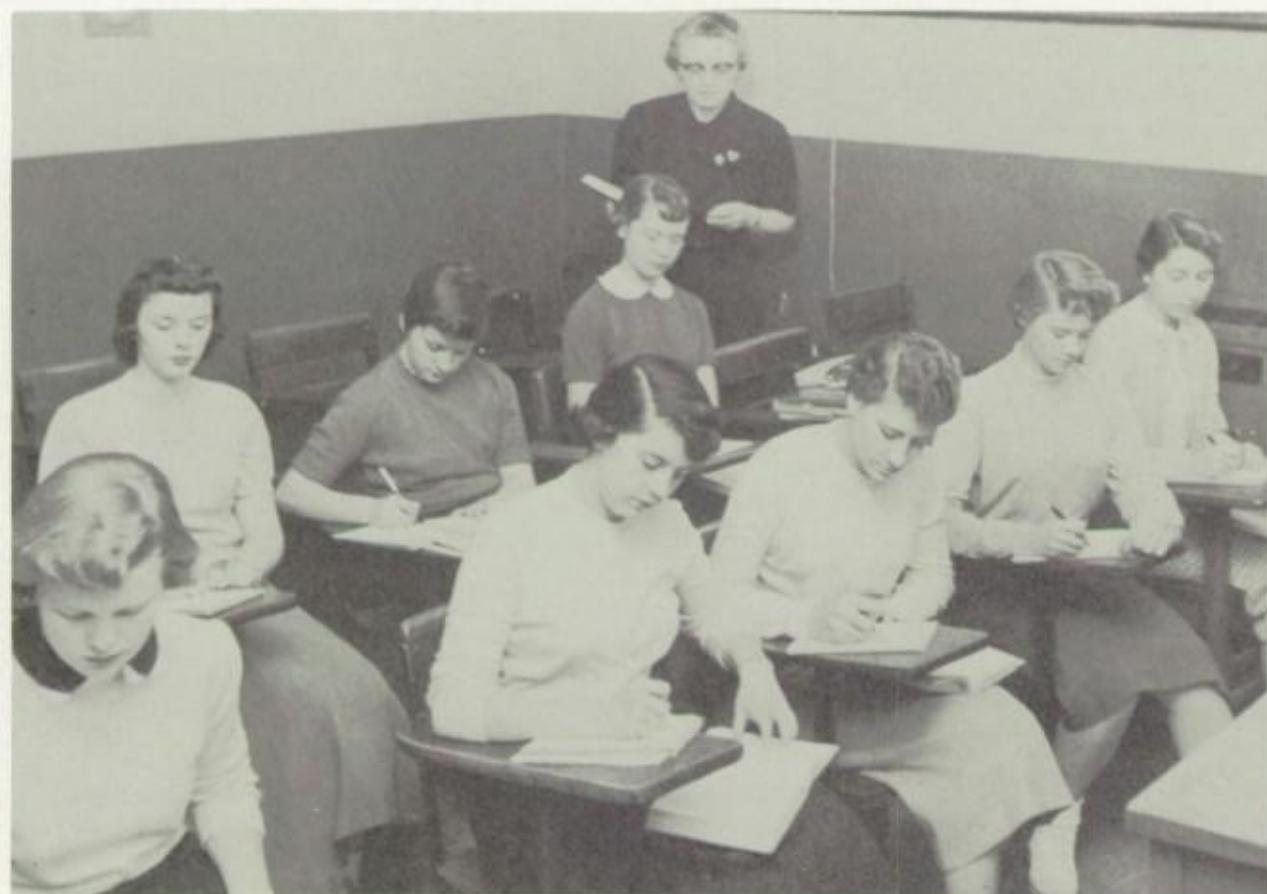

Mr. Curti's Spanish class gathers information concerning the Spanish customs.

The French students learn to write as well as to read French.

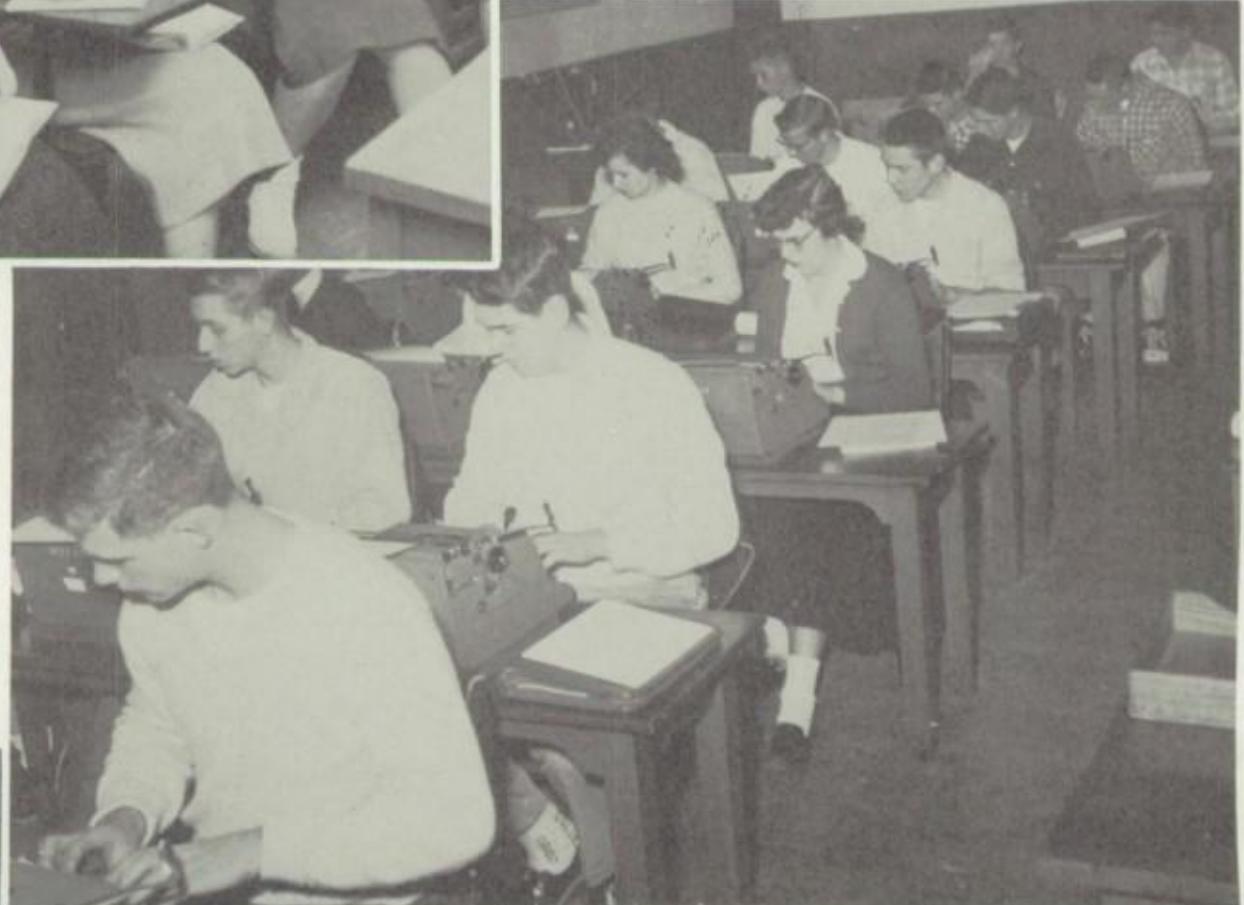

Business Training for vocational and non-vocational use

The Business Education Department offers typewriting, shorthand, bookkeeping, and office practice courses for students who wish to make stenographic or clerical work a career. Many of these students are able to pay their high school expenses by working after school. Typing is offered for students who desire it for personal use.

Mrs. Lindsay's Shorthand students take dictation.

Personal Typing students take five-minute timing.

Bookkeeping students check their records.

Foods - good health; Clothing - well-groomed; Art - beauty

In the Home Economics Department, complete training is given in the clothing and foods classes. The students advance from the making of simple to difficult garments; foods include the learning of planning and preparation of meals.

The Fine Arts Department offers courses that add much to a student's enjoyment now and for his leisure time later.

Mrs. Brown's 1st hour Foods class.

Busy girls at the machines in Miss Moore's Sewing class.

Conscientious Art students at work.

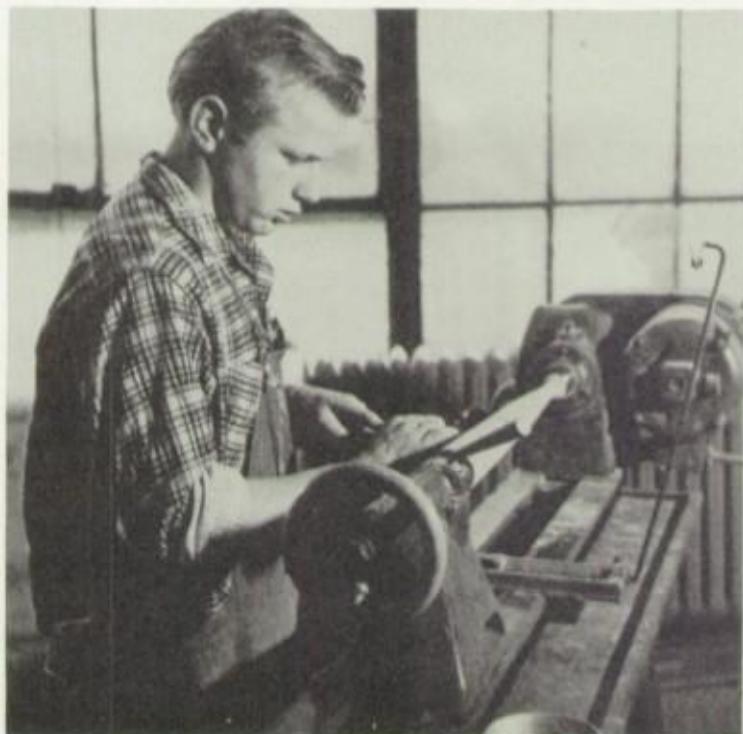

Working with the sander in Woodshop.

Industrial Arts program meets student interests and needs

Mechanical, Machine, and Architectural Drawing, are just a few of the opportunities offered in the Industrial Arts program.

Woodwork, General Metals and Machine Shop take the students through various operations pertaining to proper use of hand tools, welding of metals, and machine operations. All these help students to acquire knowledge and skills for personal or occupational use.

Scholastic and citizenship honors won by seniors

Catherine Eisenhauer

Catherine Eisenhauer was selected by her classmates and members of the faculty as the D. A. R. Good Citizen.

The seniors chose, by voting, three girls who possess to a high degree the qualities of dependability, service, leadership, and patriotism. The faculty then selected one of the three to be the Port Huron High Good Citizen.

*Donald
Drescher*

James Bronson, Donald Drescher, and Shirley Teachout were three of the 5,078 national winners in the scholarship tests, sponsored by the National Merit Scholarship Corporation. In the first test in October, 50,000 seniors throughout the nation participated. A final test was given in January to select 200 top winners who would be given scholarships ranging from \$100 to \$2,000 a year, for four years in colleges of their choice.

Aptitude for college, high school achievement, character and qualities of leadership were considered in the final ratings.

The 1,400 next highest scorers were to be submitted to colleges and agencies for consideration for other scholarships of this number. Certificates of merit were given to 800 of the above group.

Student body honored anniversary of Mr. and Mrs. Tomlinson

The Student Council honored our principal and his wife, Mr. and Mrs. M. J. Tomlinson, in a surprise assembly on their thirty-fifth wedding anniversary, October 20, 1955.

Guest speakers who expressed their enjoyment in their association with the Tomlinsons were Mr. Clayton Lewis, Mr. George Higgins, the Reverend Alton J. Cressman, Mr. Howard D. Crull, Superintendent of Schools; and Miss Florence Wiese, assistant principal of the high school.

Patricia Simpson presented a cake to the Tomlinsons on behalf of the faculty, Student Council, and the students of P. H. H. S.

Open house: where teacher and parents discuss students

So that the parents of the high school students could meet the teachers, open houses were held three evenings during October for parents of the sophomores, juniors, and the seniors. The students' class schedules were given to the parents to facilitate their meeting the teachers each student had for the semester. The parents were invited to attend, not with the idea of discussing the work of their sons or daughters, but merely to give them the opportunity to meet socially the administrators, counselors, and the teachers of P. H. H. S. Refreshments were served.

Miss Etta Reid, English Literature teacher, has the honor of being the first woman Mayor of the city of Port Huron. Completely sold on the value and importance of education, she for many years has been an active and interested member of the faculty of P. H. H. S.

When Port Huron was one of the cities to win the 1956 All-America City Award, Miss Reid was chosen to accompany Queen Sandra Gough, a former P. H. H. S. graduate, to California for the Rose Bowl game.

"Enchanted Evening"

On May 6, 1955, the Senior class of June, 1956 presented the annual J-Hop. The decorations followed a Hawaiian theme of an "Enchanted Evening." Everyone danced to the music of Nick Marone and his band. The evening was highlighted by the Grand March which was followed by the crowning of Margaret La Motte and her date Robert Lambert as king and queen of the dance.

Everyone trips the light fantastic to the dreamy music. How pretty all the frothy formals were!

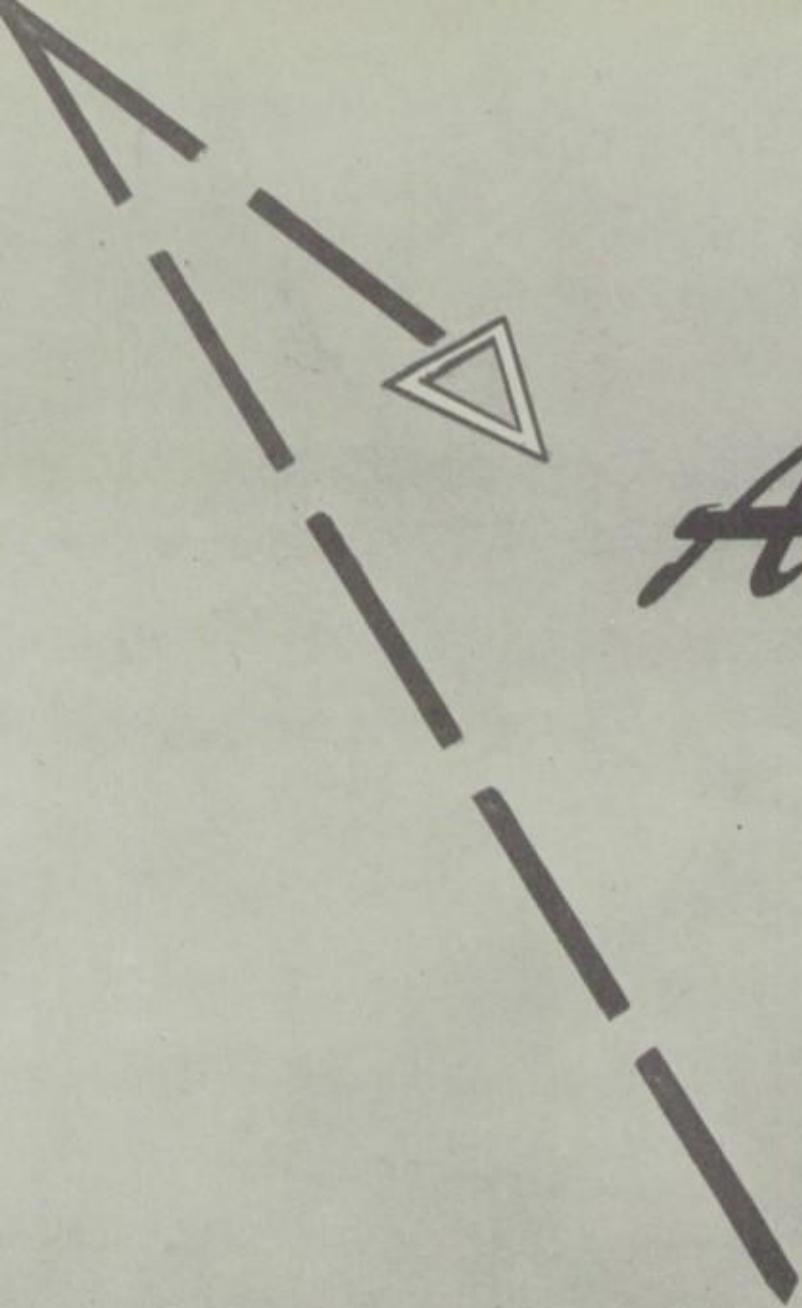

The queen and her king reign over the dance from the place of honor, the royal throne.

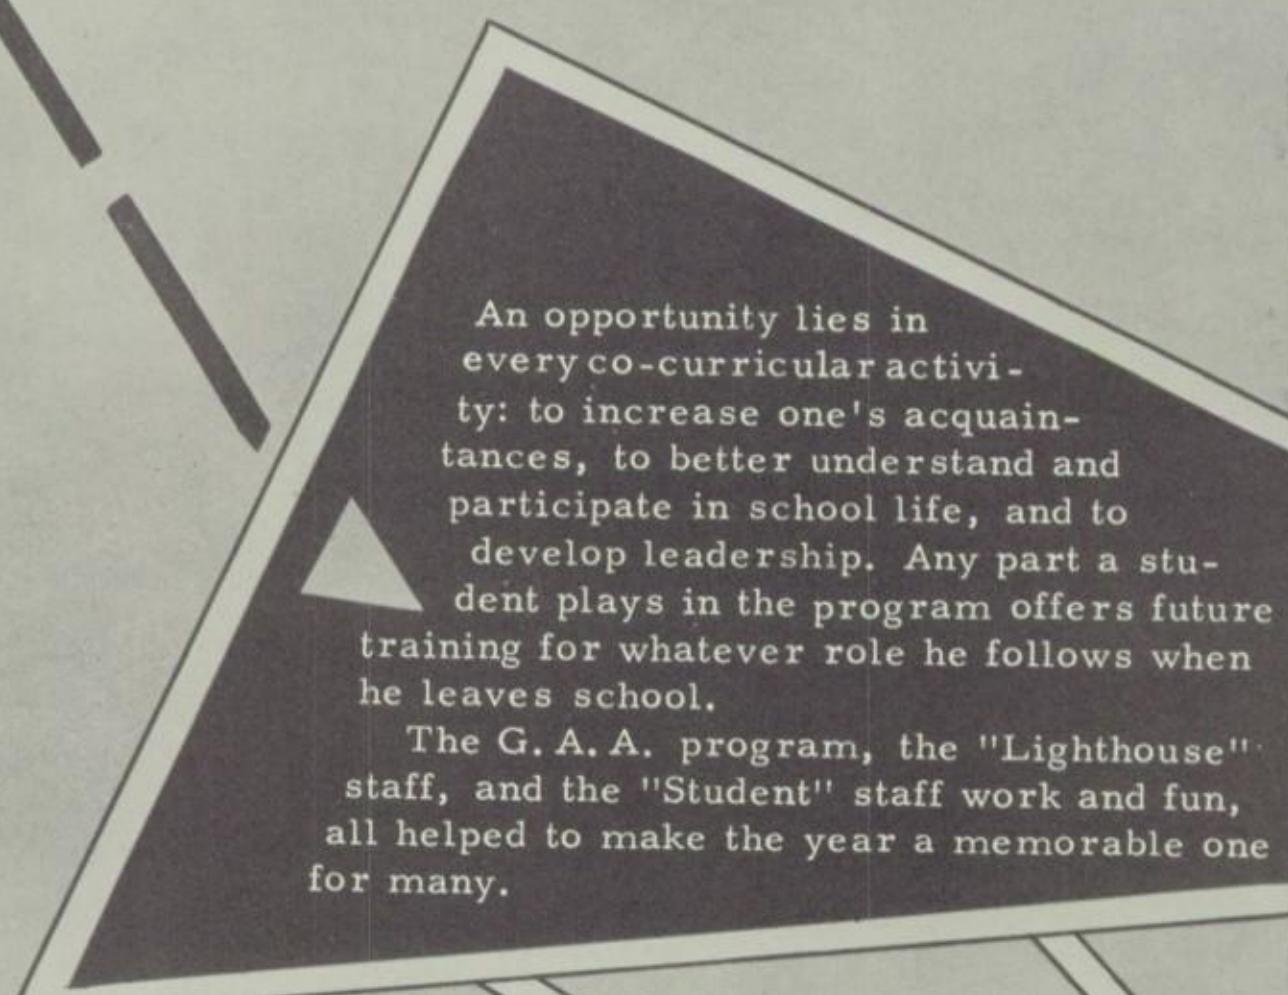

Joan Mugridge and Albert O'Dell start the evening off by attending one of the various open houses which were held in many homes before the dance.

Everyone joined in one of the most popular dances of the evening, the Bunny Hop!

Activities

An opportunity lies in every co-curricular activity: to increase one's acquaintances, to better understand and participate in school life, and to develop leadership. Any part a student plays in the program offers future training for whatever role he follows when he leaves school.

The G. A. A. program, the "Lighthouse" staff, and the "Student" staff work and fun, all helped to make the year a memorable one for many.

Council

The Student Council of Port Huron High School is a group of student representatives, one elected from each home-room, and a President and Vice President elected by the student body.

The Council is organized to promote and support worthy school activities and to better the relationship between the faculty and student body, and to discuss problems concerning them.

Much of this has been accomplished by the committees. The special allotment of time that was given this year to the signing of yearbooks was accomplished by the Club Committee. The Pep Committee has planned all pep rallies. The Assembly Committee planned the special assembly which honored Mr. and Mrs. Tomlinson. The Building and Maintenance Committee stripped the lawns and parking lot of rubbish. The Paper Sales Committee took care of the paper and pencil sales before school each day. The season tickets, which were most economical, were sold by the Activity Committee. The Election Committee was responsible for the elections which make the student council possible.

The Annual Faculty Christmas Tea was put on by the Party Committee, with the assistance of the Host and Hostess Committee.

Juniors and Seniors

The Girl's Athletic Association is an organization consisting of girls in the tenth, eleventh, and twelfth grades who are interested in athletic activities.

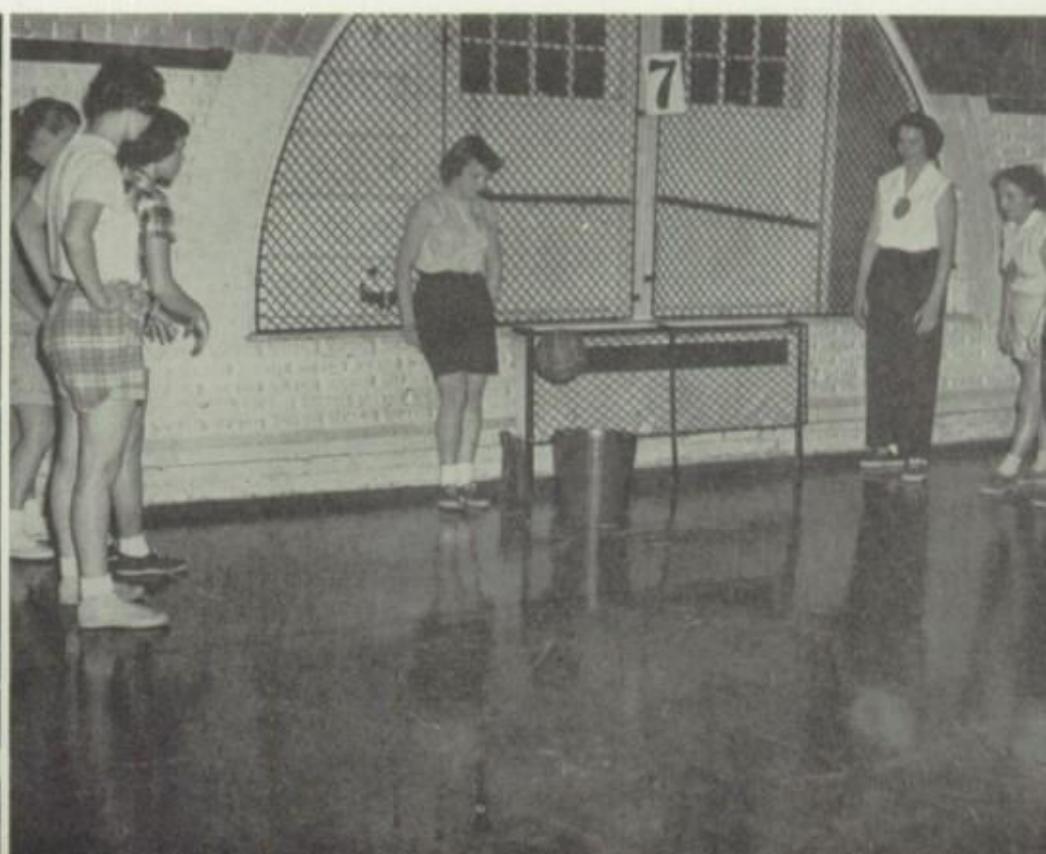

Regular meetings are held on Tuesdays. Such sports as volleyball, basketball, and baseball are played at these after-school meetings.

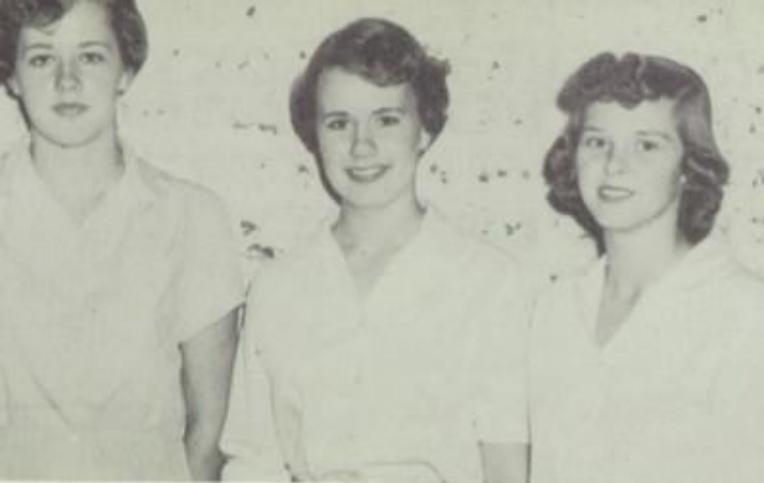

On Friday, the Leadership Club has its meetings. Girls learn to officiate and they put their knowledge into practice at junior high school games.

The Badminton and Archery Clubs also hold their meetings on Friday afternoons.

After a slow start against outside teams the 1955-56 edition of the Big Reds finally jelled and put together a record of nine wins against one loss to win the Eastern Michigan League Trophy. East Detroit was the only team to defeat them in league play.

Four seniors, Donald Capps, Carl Chandler, Gaylord Forbes, and Richard Turner received letters. Richard Robins broke the individual scoring record for one game when he scored thirty points against Mt. Clemens. In two seasons he has already broken the career-scoring record with 472 points. Ben Smyth held the old record of 454 compiled in three seasons.

In the regional tournament, the Reds lost to the Pontiac Chiefs in the first game. The team's overall record was 10-6, having one of their most successful seasons in five years.

EASTERN MICHIGAN COLLEGE OF COMMERCE offers graduates of Port Huron and vicinity an opportunity to complete an approved business course ranging from 9 to 20 months without leaving the community. Graduates who have started commercial courses in high school may complete such courses in less than the scheduled period of time. Because of its Proximity to the Blue Water district, courses may be completed without the expense of board and room away from home

THE STAFF AND ADMINISTRATION of the College join in wishing the graduates of Port Huron High the best of everything, and cordially invite them to join its student body if the best of business education is desired.

Thank you

The Port Huron High School yearbook staff would like to express its appreciation to the following people who helped in various ways to make the 1956 "Student" complete:

Business and professional men of this city, who co-operated considerably by the advertising they purchased;

Mr. M. J. Tomlinson, our principal, and Miss Florence Wiese, who did so many things to make our job easier;

The teachers, who were very pleasant about the interruptions when we needed information or pictures of their classes at work;

Mrs. Gaylord Forbes, in Mr. Tomlinson's office, who helped with the business end of our project;

Mrs. John Wellman, in Miss Wiese's office, who gave us much information that we needed;

Mr. Fulkerson, who kindly gave special photographs we desired, and cut the underclassmen pictures for us;

The high school students of all the homerooms who were asked to collect and identify pictures.

The Times Herald for its co-operation.
